REVISION #2: TO INCLUDE TAB PRODUCTS OF UTAH AS A SUPPLIER AND INCLUDE COMPARISON PARAGRAPH.

This is a multiple award. It is mandatory that all users contact Salt City Records (MA1231) and Tab Products of Utah (MA1291) for comparison quotes prior to issuing an order. These contracts cover only those items listed in the individual catalog references as shown on Page 2 of the contract. Suppliers can sell only the items they bid as shown in the separate catalog references.

It is the responsibility of the agency to ensure that other items purchased are invoiced separately. State agencies will place orders directly with the vendor (creating a PG in Finet) and make payments for the same on a PV referencing the original PG. Agencies will return to the vendor any invoice which reflects incorrect pricing.

Usage figures are to be submitted annually to Eula Neel at state purchasing.
